140 Stratford Street E, PO Box 195, Avon, MN 56310 (320) 356-7575 ~ Fax: (320) 356-2259

BACK THE BEACH – City of Avon Beach

With the weather finally improving, it seems summer might be right around the corner! Over the past few years, an integral part of summers in Avon has been the Avon Beach. We are contacting you to remind you of the **"Back the Beach"** project that the Avon Police Department and the Avon City Council would like to continue.

This project is designed to create a better environment for citizens and families to enjoy this great resource without the concern for discomfort. Since the beginning of this project several improvements have been made to the beach area including building a retaining wall, installing a new sprinkler, spreading new sand and most recently adding a concession stand. The Avon Police Department has seen a drastic improvement with the people at the beach. Compliments from several people using the beach have been received.

"Back the Beach" project, supported solely by your donations, involves unlicensed, uniformed beach patrol officers patrolling the beach. These officers have the authority to enforce the City of Avon beach ordinances. Beach ordinances include consuming alcohol and smoking while at the beach.

As with any project, there are financial costs. The City of Avon and the police department are asking for your financial support for continuing this project during the 2015 season. Any financial donation would help with covering uniforms, wages, and training for the beach patrol officers. **All donations are tax deductible.**

If you are able to donate or have any questions or comments about the project please contact the Avon Police Department (320-356-7575) or the City of Avon (320-356-7922).
