

Pursuant to due call and notice thereof, a Planning Commission meeting was held on Tuesday, September 16, 2008 at 6:30 p.m.

PRESENT: Rick Fischbach, Katie Reiling, Bob Pogatschnik, Doug Millaway, Eric Larson

ABSENT: None.

The meeting was called to order at 6:28 p.m.

### **MINUTES OF AUGUST 19, 2008**

*Motion by Katie Reiling to approve the minutes as written, second by Eric Larson, all in favor and carried.*

### **AVON BODY SHOP**

Check with the county and see where the lot request is at. The planning commission discussed with Buttweilers the steps they would need to take in order to make this project work. They did talk about where the new building is located and where the other buildings are on the lot. They also discussed what is between the buildings and the lake. Buttweilers will talk to Randy about getting a survey and preliminary building/site development plan. Buttweilers will also contact Dan Lais to see if he has any ideas on stormwater and also to just let him know what is going on with the new building.

### **BIOFUEL BURNERS**

**The Planning Commission discussed the Biofuel Ordinance and they would like to look at this ordinance again in a few months.**

### **FEEDLOTS**

The Planning Commission stated that there are animals in the feedlot next to Avon Estates. Check into what the geographic location is for this feedlot. Also, check how many lots in Avon Estates would possibly be affected in Avon Estates. Is the current feedlot transferable if the owner decides to sell the property? Randy Jenniges might be able to help answer some of these questions.

Notes: Keep looking for chairs—Bob said there might be some chairs at St. John;

*The meeting was adjourned at 7:15 p.m.*

Respectfully submitted,  
Amy Pogatchnik  
Zoning Administrator
