Assisted Living and The Cottage secure unit

Assisted Living

The staff will show you around and get you settled. Bring your favorite chair, decorate with your own personal belongings and relax in your private apartment - or - come on out to socialize with others with some activities that keep you moving in accordance with your abilities. You choose.

Family and loved ones are always welcome and encouraged to stop in to enjoy happenings with you. Serenity makes this new chapter in your life as seamless as possible - and full of wonderful new memories. We are honored to share this journey with you.
